### Food for Thought

*"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do." Mark Twain*

### Superintendent's Corner

In just a few days we will recognize the anniversary of the 9-11 attacks and tragedy, which forever changed the fabric of our Nation. Those of us who were alive on that bright, beautiful morning will never forget seeing the glorious blue skies pierced by individuals looking to attack our democracy. While there is no question that those four planes struck a devastating blow to our sense of security, they did not destroy the character, and heart of our people. Since September 11, 2001 the world learned what we always knew -- that our great Nation is not defined by its buildings, but by its people. While brick and mortar can crumble, freedom will never fall. The spirit of our Nation, which is united despite our internal debates, will always endure. The United States of America is a country that grows stronger from its struggles and the beacon of light, which is our Republic, will always shine.

Please make sure to pause on Saturday and reflect upon the lives lost and families forever changed by the 9-11 attacks. Let us also thank the brave first responders and men and women in uniform who rush into danger so we can live in peace and safety.

### News from Deputy Superintendent/Business Dr. Joseph Centamore

This Saturday, Americans across the Nation, and certainly here in the South Huntington community, will be uniting in recognition of the September 11th terror attacks that occurred twenty years ago on that infamous day.

To remember those who have fallen, and to honor those who have served and who are serving today, our Nation's flags will don the entranceway at Walt Whitman High school, as well as decorate the grounds of all South Huntington's schools.

Our community is a true microcosm of America. This remembrance is a reminder of how South Huntington is a family; united in its pride, diversity, and commitment to the health and well-being of one another.

Social/Emotional Health

South Huntington understands the challenges these past eighteen months may have created with the ability of our children to navigate through various feelings they may have experienced during distance learning. Therefore, teachers, at all grade levels, have been provided with activities, lessons, and resources to use in their classrooms that will support the social-emotional, well-being of our students. Students will have opportunities to identify, understand and manage their emotions while learning the appropriate language to help express themselves. Mental health staff will be on-hand throughout the school days, in their respective buildings, to be of assistance as needed.

After-school and Extracurricular Activities in South Huntington

With the start of the new school year, South Huntington is focused on providing our students the ability to participate in after-school and extracurricular activities at all building levels. This may include Coding Club, Intramurals and Musical Theater at the elementary level, as well as a variety of clubs and activities at both the middle school and high school. These activities give our students time to explore ideas outside the classroom, while fostering an environment for healthy socialization with their peers. Within these school events, we will follow all Department of Health guidelines for all activities, as the health and safety of our students remains a priority. Please look for information in the weeks to come regarding these activities from your building principals.

iReady testing in September: K-8 Grade

As we return to some normalcy within our traditional school structure, all students K-8 will take the Fall i-Ready Diagnostic within the first few weeks of school. These results, along with other classroom assessments/observations, will provide teachers with important data regarding each child's academic levels. This will help guide classroom instruction and individualized instruction as we move through the curriculum, allowing us to pinpoint student deficiencies and make sure that teachers' lessons focus on areas of need. Given that every school is different with their implementation of the i-Ready testing, additional information for each grade will be shared at the Curriculum Nights at each school.

## News from Mr. Kenneth Costa, Principal of Walt Whitman High School

On behalf of the faculty and staff of Walt Whitman High School, we hope you had a wonderful few days off celebrating Labor Day and the observance of the Jewish Holidays. As we approach the weekend, it is important that we remember the events that our Nation faced twenty years ago on September 11, 2001. In honor of all the brave men and women who lost their lives and tirelessly worked the various sites across our Nation, we lined our driveway with over one hundred American Flags symbolizing the unity and strength of our country. This coming weekend, please take a moment to reflect on your own life and the lives of those who surround you. Be thankful for all you have, and we implore you to find the strength to achieve what you want. The days following the September 11th attacks defined who we were as a Nation and is personified in the spirit of our community. We will always be strong, determined, and shape our lives for future leaders and innovators. In the words of Walt Whitman, "It doesn't matter how long it takes to get to your destination. What matters is how determined and motivated you are to reach it and become the happy and successful person who you were always meant to be." We are Walt Whitman High School and we are Wildcats!

Upcoming events and dates:

- Underclass photos will take place during the school day on September 13th and 14th.
- WWPTA Meeting will be held in the HS Library on September 14, 2021 at 7 p.m.

## News from Mr. Steve Toto, Principal of Silas Wood Sixth-Grade Center

With the new school year now underway, Silas Wood will be using our regular bell schedule each day. Decorated with our Superstars' Goal Setting banners, our hallways are colorful and bright, brimming with all our students' exciting plans and purpose presented for inspiration and motivation.

Chromebook distribution took place at Silas Wood last week. Our Superstars can stop by Room 119 to see Mr. Sharp, Silas Wood's technology expert, with any issues that might arise with their Chromebooks.

All Silas students have been issued ID tags to be worn on the lanyards provided at all times. From time to time, though, it happens. You were so sure you had it with you, but where did it go? Here are some helpful hints:  
**Help! I've Lost My ID!**

### QUESTIONS TO ASK SO YOU CAN HELP YOURSELF

When was the last time you had it? If it was: **Today at Silas Wood**, then give it some time. It will probably be found and turned in to the front office. One of the secretaries will call you to come on down for it.

**On the bus to school today or on the way home yesterday**, the next time you ride the bus, ask the bus driver if it has been found.

**At home within the past day or two**, please look around for it a little more in your home. Check near your bed, in your backpack, in the car, where you do your homework, where you got ready for bed, etc. Ask your parents and siblings if they have seen it at all.

**What if you still can't find it?** Go to see Mrs. Kehoe, the secretary whose

Mrs. Kehoe comes in at 10:30 a.m., and is here until 2 p.m. Mrs. Kehoe can make you a replacement ID. Silas Superstars are also fortunate to have brand new lockers in all their homeroom classes. Locks have been distributed, and Superstars are encouraged to memorize their new combinations. Turn the dial to the left; pass the first number of the combination, and stop on your second number. Turn the dial to the right, and stop on the third number of your combination. Pull open. Remember to spin dial after closing lock.

The faculty of Silas Wood and I invite all parents/guardians to attend our Sixth Grade **Curriculum Night** to be held on **Tuesday, September 21, 2021, beginning promptly at 6:45 pm** at the Silas Wood 6th Grade Center. Our **Curriculum Night** will offer an opportunity to meet your child's teachers and listen to an overview of what your child will study this year. Curriculum Night will commence in the Silas Wood Gymnasium with a brief welcome, along with a description of the rest of the evening. Parents will then proceed to their children's homerooms where schedules will be provided. From there, you will have the opportunity to follow their schedules and experience a typical (though shortened) school day; you may follow their class schedules for the remainder of the evening. *It would be helpful if you know your child's Homeroom Teacher's name/room number on Curriculum Night.* Kindly note that students are **not** to attend **Curriculum Night**.

Please note our introductory PTA meeting of the Silas Wood/Stimson Middle School PTA (the PTA is jointly run between Silas and Stimson) is to be held at 6:15 pm at Silas Wood prior to our Curriculum Night on September 21st. This will be an opportunity to join the Silas Wood/Stimson PTA. Please support this fine organization and the work it does for our children.

Friday, September 24th is Silas Wood's **School Photo Day**; please watch your child's backpack on Monday, September 13th, for information and Order forms – (Photo Makeup Day will be 11/24/2021).

Remember that schools will be closed on Thursday, September 16th, as many of our friends observe Yom Kippur.

## News from Mr. William Hender, Principal of Maplewood Intermediate School

We had a wonderful first few days of school here at Maplewood. The students quickly learned all about their new teachers and classmates. After a rainy first day of school, students really enjoyed eating and playing with their friends during recess, and our teachers will continue to provide as many outdoor learning opportunities as possible.

It was very nice meeting so many families during our 5th grade Curriculum Night, and I look forward to meeting more during our up-coming events. Next week we will have our 3rd and 4th grade Curriculum nights that can be attended either in-person or virtually. If you choose to attend virtually, you will receive a link from your child's classroom teacher via Parentsquare, as well as a post in the Google Classroom.

Lastly, just a few friendly reminders as we enter our second week of school:

- Please remember to label your child's belongings, as we have a much better chance of returning items to you if they have a name on it.
- If you haven't already done so, please complete and return your Emergency Contact Form.
- If you are picking your child up at dismissal, please send in a note or email Mrs. Messina at [rmessina@shufsd.org](mailto:rmessina@shufsd.org).

## News from Dr. Annie Michaelian, Principal of Oakwood Primary Center

It was wonderful to see our students during the first week of school! They were happy to be with their friends and teachers as we welcomed the 2021-2022 school year. We will welcome our parents on our Curriculum Nights later this month. We begin with our Second Grade on Monday, September 20th, and continue with First Grade on Tuesday, September 21st. Kindergarten Curriculum Night will be held on Thursday, September 23rd. This year, parents will have the option of attending our curriculum nights in-person at Oakwood, or virtually via Google Meet. Please note that the in-person attendance will be limited to one parent/guardian per child to allow for social distancing. More information will be shared in the upcoming week. We hope you will join us!

Be sure to send in a note if you are planning on picking up your child from Oakwood. We use this information to plan for a smooth dismissal and allow for your child to end their day in a calm manner. Also, if you are dropping off your child at arrival, it is important that you are pulled over on West 22nd Street with your hazards engaged on your vehicle.

### News from Mr. Mitchell Levy, Principal of Countrywood Primary Center

We had a wonderful first week back at Countrywood. Again, a huge thank you to our amazing staff who went above and beyond assisting us throughout the building during our arrivals and dismissals, as well as during our lunch periods. It truly has been wonderful having all of our students and staff back in the building. Thank you to all of our families for your patience as we navigated the various changes to our processes and procedures in order to ensure a safe school experience for everyone. We will, of course, continue to keep you informed of any changes should they be necessary.

Our wonderful PTA has prepared a staff welcome back breakfast for tomorrow morning, and we are all very appreciative of that. We are so grateful to them as we work together to foster a strong home-school partnership. If you have not already done so, please consider joining the wonderful PTA. Please be on the lookout for information about upcoming PTA meetings and events, we hope to see you there.

Looking ahead to next week please be reminded that school will be closed on Thursday, September 16th for Yom Kippur. Please mark your calendars for our upcoming Curriculum nights; 2nd grade will be held on Monday, September 20th, 1st Grade will be held on Tuesday, September 21st, and Kindergarten will be held on Thursday, September 23rd. These events will offer both an in-person, as well as virtual option. Please join us, if your schedule allows.

We wish you a wonderful week ahead.
