Specially, included is your right to know the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- The baccalaureate degree of the teacher and any other graduate certification or degree held by the teacher and field of discipline of the certification or degree; and
- Whether your child is provided Special Education services and, if so, their qualifications.

Should you wish to exercise your right to obtain the above information about your child's teacher, please contact the Office of Instruction and Curriculum, in writing, at the following address to make your request.
